A Journey Through Time and Visions for Tomorrow

Dear Friends, Clients, and Colleagues,

As we approach Providence Strategic Consulting's 20th anniversary, I reflect on our incredible journey. Two decades ago, we embarked on a mission to redefine communications, business advocacy and to make an impact in our community. Today, as Founder and CEO, I am delighted to share our story and invite you to celebrate this milestone with us.

From humble beginnings (my kitchen!), Providence has evolved into a trusted partner for countless businesses and organizations. Our commitment to excellence, innovation, and unwavering dedication to clients fuels our success. The coming years hold exciting opportunities, and we are eager to continue shaping the future.

As part of our commemoration, we're thrilled to announce our office expansion, joining our existing locations in Bakersfield and Fresno. This third location signifies our growth and is a testament to the partnerships that propel us forward. On April 9th, join us for a ribbon-cutting ceremony at our newest hub, which includes a custom podcast studio. Your presence will make this celebration even more meaningful.

Looking back, our journey has been shaped by incredible individuals and organizations. To clients, employees, friends, and family, thank you for being integral to our story. Here's to two decades of growth, achievement, and limitless possibilities.

Warm regards,
Tracy Leach
